

## Press release

FÜRSTENFELDBRUCK, April 2018

### JAEGGI: new Managing Director

Marco Baumann is the new Managing Director of JAEGGI Hybridtechnologie AG. At the same time, Marco Baumann heads up the area Sales and Marketing as member of the new Management Board of Güntner GmbH & Co. KG. The previous Managing Director of JAEGGI Hybridtechnologie AG and Güntner GmbH & Co. KG, Robert Gerle, was appointed to the Executive Board of the parent company, A-HEAT AG.

Marco Baumann is a mechanical engineer (Master of Science in Engineering) and joined the sister company JAEGGI already in 2011; he started working as a technical project manager before becoming active in international sales and responsible for the entire product portfolio of JAEGGI in 2013.

#### About JAEGGI Hybridtechnologie AG

JAEGGI Hybridtechnologie AG, with its headquarters in Basel, is a successful and long-established Swiss company. It is the inventor of the hybrid dry cooler as well as a technology and market leader in hybrid cooling and condensing. Its operations cover engineering, production, sales and service for hybrid dry coolers and condensers. JAEGGI's products are characterised by their excellent reliability, low energy and water consumption and low environmental impact. The company is part of the Güntner Group, an established global manufacturer of components for refrigeration and air conditioning technology and industrial applications.
